SEEDING ORDER

All non-conforming seed times shall be seeded after the seeding has been done for conforming times and non-conforming seed times shall not be seeded ahead of any conforming time.

A “conforming” time is defined as one from a swim which matches the pool setup for the meet. A “non-conforming” time is one from a swim swum in a pool setup other than that for which the meet is being conducted. Conforming times for the Kentucky Swimming Short Course Championship Meet must be from 25 yard pools. All times from other length pools will be considered non-conforming times.

For seeding purposes, the entries for each event will be ranked as follows:

- The top seed is the fastest, conforming SCY time,
- Followed by all remaining conforming SCY seed times in rank order,
- Followed by the fastest non-conforming SCM seed time,
- Followed by all remaining non-conforming SCM seed times in rank order,
- Followed by the fastest non-conforming LCM seed time,
- Followed by all remaining non-conforming LCM seed times, in rank order.

All Senior and 13-14 girl and boy's 1000 and 1650 yd freestyle events will be swum as combined heats, by gender, but scored separately. The heats will be swum fastest to slowest, alternating girls and boys.

PRELIM SEEDING

For Prelim Competition, the fastest 3 heats will be circle-seeded.

RELAY CARDS

Relay cards will be distributed in each team's meet packet. Each relay team is responsible for delivering their completed relay card to the scorer's table at a time to be announced prior to the start of the heat. At that time the relay card must clearly indicate, in the appropriate order, the four swimmers who will compete. Failure to do so will result in the relay being disqualified.

To facilitate the running of the meet, coaches are encouraged to include relay names on their electronic entries, but still have the right to make changes up to the start of the race.

PROOF OF TIME

Results used to prove time must be from USA sanctioned or observed competitions. Competition must take place during the Qualifying Period for this meet. Each individual entry Seed Time will be verified using the USA Swimming SWIMS database. It is the coaches' responsibility to make sure that their athletes' times are entered in the SWIMS database and are correct official times. Proof of Seed Time must be furnished when requested by the Entry Chair.

POSTINGS

Entries will be posted on the Kentucky Swimming website in two forms:

A Psych Sheet, sorted by event number with entries for each event sorted in rank order, and
An Entry List, sorted first by team and then by athlete, showing entries for each athlete.

NOTE: When looking at the Psych Sheet, an unproven seed time will be flagged with an “*”.

This “Flagged time” MUST BE removed / corrected PRIOR TO SEEDING, or the swimmer WILL BE SCRATCHED FROM THE EVENT.

REGARDLESS OF ENTRIES SUBMITTED AND/OR INPUT ERROR, IT IS THE COACHES' RESPONSIBILITY TO BE SURE THE SWIMMERS ARE IN THE CORRECT EVENTS.
